

WORKERS' COMPENSATION FRAUD

Workers' compensation fraud is punishable by Louisiana law

The Louisiana Workforce Commission is working with law enforcement to find and prosecute Workers' Compensation Fraud.

WHAT IS WORKERS' COMPENSATION FRAUD

Common forms of workers' compensation fraud include:

- Faking an injury or illness in order to collect workers' compensation benefits
- Claiming that a work-related injury or illness is more severe than it really is
- Claiming that an injury which occurred in another location happened in the workplace
- Collecting workers' compensation benefits long after an injury has healed

These actions are illegal. Under the Louisiana Workers' Compensation law [Louisiana Revised Statutes, Section 23:1208], it is unlawful:

- For any person, for the purpose of counseling or defeating any workers' compensation benefit payment for themselves (himself) or another person, to willfully make a false statement or representation.
- For any person, either directly or indirectly, to aid and abet an employer or claimant or counsel an employer or claimant to willfully make a false statement or representation.
